This year the juniors did well in the Winter Carnival events. They came in first in the sports evnets and snow sculpturing. Of course, no one is always perfect. They claimed last place in the candy sale. Congratulations to Judy Pentkowski, this year's Winter Carnival queen.

Freshmen

The freshman class this year was probably one of the most energetic ever. In the candy sale they took 2nd place with alot of their total sales coming from Dan Riggs, who placed 2nd in the individual race.

In the winter carnival the "niners" killed their competition but only obtained 3rd place. Their snow sculpture was tied for last place.

The class of '78 was the first to have Health (with) Ed., a course which consisted of such things as a survey on smoking.

Everyone enjoyed the dance marathon in April, a "fresh" original idea.

It looks as if the 8th grade had a good year. Their class got 2nd place in the candy sale and 4th place in Carnival snow sculpturing. Melanie, Ellen, Pat, Suzie, and Mary competed in the talent show as the Cycles, singing "Leader of the Pack." In the Winter Carnival itself they placed 2nd. Their dance-Bungle in the Jungle-was also a success.

Sutherland

The Sutherland published regular monthly issues of school news. They were awarded an excellence certificate as one of the best school papers in the country.

The Proctorian staff with the help and dedication of all members has produced another great yearbook.

The candy sale was one of the highlights among the many activities the Student Council sponsored this year. As always, they were an active and vital organization.

Library Aides

TV Technicians

The library aides did a fine job of keeping the library in order.

The TV technicians had another busy year of taping many school activities - games, concerts, the talent show, and the Winter Carnival.

The Assembly Committee did a fine job at choosing this past year's assemblies. They chose to have fewer but more interesting assemblies, some of which were aided by the Vermont Council on the Arts.

Assembly Committee

Chorus

The chorus did a fantastic job this year under the direction of Miss Colton. Everyone was very enthusiastic, and it showed in both the Christmas and spring concerts as they went smoothly and turned out really great.

This year the Drama Club gave an impressive performance of "The Hobbit." The production involved many students, including the cast and crew. The crew consisted of Gary Russell, George Pilcher, Joel Tillberg, and Andy Hansen. A spaghetti supper was held, hosted by the Drama Club, in order to raise money for the production.

Assemblies

Below, We are the freakies

There were many dances this year, all of which were successful and a lot of fun. The seniors had their 4th annual square dance. The Winter carnival Ball theme was "Knights in White Satin."

The school year was highlighted by many exciting assemblies. We not only had a good time, but we learned alot. Learning doesn't always have to take place in the classroom.

Winter Carnival '75

The class of '76 again proved its talent and enthusiasm in the Winter Carnival by taking first place for the second year in a row. There was a lot of participation in the events and a good turn-out from each class. Congratulations to the Queen's Court and Judy Pentowski, the new queen from the class of '76.

This soccer season was a good one. Proctor tied for 2nd in the MVL with a record of 8-2-1. In the play-offs Proctor played an exciting game against Sacred Heart, winning the game on corner kicks after playing a full game plus 4 overtime periods. Proctor was eliminated by Arlington in the semi-finals.

Girls' Varsity Field Hockey

The hockey team had a great season, placing 2nd in the CVGAL with a 5-2-3 record. In playoff action the team lost to Stowe 3-0. This year's team placed Pam Shostak and Teri Rinehart on the CVGAL All-Star team.

The 1975 edition of the Proctor varsity basketball team completed a successful regular season campaign with 15 wins and 5 losses in the tough Marble Valley League. Although the playoffs ended abruptly with a playdown loss to eventual "M" Champion Stowe, the Phantoms provided their fans with exciting basketball throughout the season. The highlight of the schedule was the overtime win against Green Mountain when Proctor made up a 7 point deficit in the last 27 seconds of regulation play. Mark Socinski, Spencer Wood, Fran Keyser, and Steve Zani all completed their high school careers in basketball this winter, and each contributed much to the team success.

Go get the ladder, Ernie.

Girls' Varsity Basketball

The girls' varsity team had another successful season, claiming 2nd place with a record of 11-3. In tournament action they made a fantastic comeback against Whitingham, beating them 39-29. This brought them to the quarter finals and a loss to Ludlow because of the height disadvantage. The team should be excellent next year, too, with real talent coming up.

JV Basketball

The JV boys finished their season with a record of 16-4. They had a great year because the whole team worked together. This was shown by their balanced scoring attack, averaging 60 points a game and allowing their opponents only 48 points a game. The most memorable game was beating Woodstock where they shot 58% from the floor and 81% from the foul line.

The quarter game was dropped 15-12 to BFA of Fairfax, making the final record of the season 6 wins and 5 losses.

The baseball team made a repeat performance this year by capturing the titles of MVL co-champs and Class M state champs. Ending their regular season with a 2 loss - 9 win record, this talented team, under the exceptional coaching of Wade Mitchell, went to the quarter finals to defeat Thetford, then to the semi-finals to defeat Williamstown. In the finals Blue Mountain was no match for the powerful Phantoms defending their Class M title.
